### Newsletter

December 12<sup>th</sup>, 2017

Dear Parents,

It is most unfortunate, and very upsetting that our Preschool is temporarily closed. We have been assured by the Blue Mountains City Council that they will do their best for us to reopen our Preschool as soon as possible, ready for Term 1.

For further information regarding closure please contact Blue Mountains City Council – Adrienne Murphy is available to speak with anyone with questions on the matter: Phone 0414 195 533.

Adrienne Murphy is also a friend on "Wentworth Falls Preschool Parent's Facebook page, if you wish to contact her.

#### Fees

Children who are returning next year in Term 1, 2018, will be credited monies owing from this closure in their fee accounts for Term 1.

Children who are graduating to "Big School" and not returning will be reimbursed monies owing. Please inform us of your bank details, and we will refund as soon as possible.

#### Reopening Date

The BMCC Council have made plans to make repairs over the Christmas holidays and expect the Preschool will reopen as normal next year.

Teachers will return on the 25th of January and Children will return on the 30th.

If the reopening date of the preschool changes we will update this website so please check back again closer to the current reopening date.

#### Portfolios

Portfolios can be picked up next year

#### Enrollment 2018

Teachers can be contacted by phone or email from the 25th to answer any enrollment questions; you may also download our enrollment form and parent information pack.

#### Emails

Due to extremely short notice given to staff by Work Safe NSW, we are still having difficulties accessing our emails.

#### Thanking Everyone For Your Support

The children have had another wonderful year with lots and lots of fun and learning with their friends and teachers.

**HAVE A HAPPY CHRISTMAS  
BEST WISHES FROM ALL OF THE  
TEACHERS  
Sue, Irena, Amanda, Tammie, Adena**
